flexiblebenefit.com

FlexFSA™ is our stand-alone FSA health care and dependent care solution that handles all the reimbursement tasks associated with the successful implementation of these plans, so employers don't have to. We offer scalable plan options designed to provide best possible FSA experience, including:

- Health Care, Dependent Care and Limited Scope FSAs
- Multiple funding options
- Reimbursement frequency options, including daily and weekly
- Full integration with our other Flex Plans, allowing stackable operation
- Availability of 2-½ month grace period
- Flexible reporting options available for Participant, Debit Card, Funding and Payment Reports

FlexFSA Features

- **Simple Transactions** - CrossTech®, free FlexMoney® debit card and direct deposit resources are available to ensure quick, accurate and convenient reimbursements
- **Plan Design Expertise** - Ensuring proper development and usage
- **Education & Enrollment** - Preparing participants and providing ongoing communications
- **First Class Service** - Dedicated customer service professionals
- **Online Access** - 24/7/365 direct account access and resources for plan administrators and participants

Also Offering Options
from **FLEX PLANS**
