Get more out of your health plan by paying for eligible health care expenses with an HSA!

You can think of an HSA as a designated place to set aside money for future health care expenses and watch it grow tax-free. You choose: how much you want to contribute to the account, if you'd like to invest it to grow your money even faster, and how much you want to spend from it and when. Spend and save healthy with an HSA from Flex!

Whether you made the choice to establish an HSA on your own or it was offered through your employer, the money in the account is yours. Even if your employer contributes money in the HSA, you own it and can take it with you no matter where you are employed.
