

Stay informed.

Keeping track of your account activity just got easier.

Introducing text notifications. Sign-up to receive notifications about account activity on your mobile device. Staying informed on-the-go saves time and gives you piece-of-mind.

Here's how it works!

Log into the portal, click “My Benefits” and “Access Now” then go to Alerts & Notifications to sign-up for text notifications in 3 simple steps:

1

Enter your mobile information.

Indicate your service provider, mobile number and agree to notification services.

2

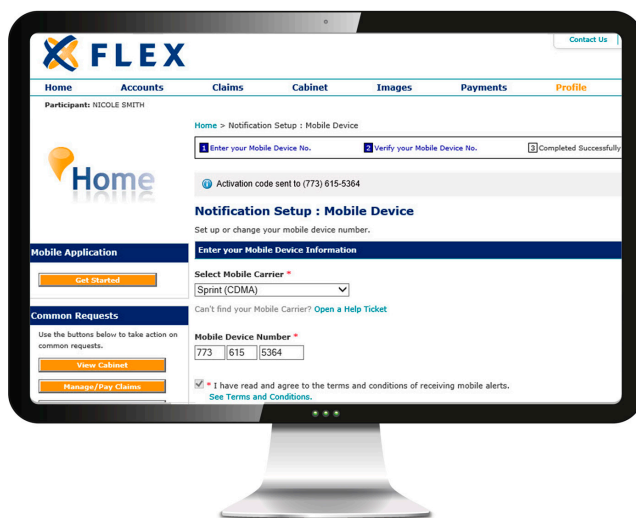

Get your activation code.

Receive your first text notification with your registration code. Enter the code to complete service activation.

3

Set your preferences.

Choose when and what notifications you want to receive.

Number changed?

Don't worry. You can always change your number or notification preferences by updating your Profile.
