## Step 5:

Next, you'll create and confirm your username and password.

**Username:** Your username can be the same as your email address. Usernames must be at least six characters long and contain alpha-numeric and special characters.

**Passwords:** Passwords must be at least eight characters long and include at least one number and one special character. Passwords cannot have more than two identical consecutive characters.

Once you've entered your username and password, click **SUBMIT & CREATE ACCOUNT**.

On the left, a sidebar shows a progress bar with three steps: 'NEW USER', 'REGISTRATION INFO', and 'CREATE ACCOUNT'. The main content area is titled 'Portal Username and Password' and contains a form with fields for 'Email Address', 'Username', 'New Password', and 'Confirm Password'. Each field has a red 'X' icon indicating a validation error. At the bottom of the form, there is a blue button labeled 'Submit & create account' which is highlighted with a red rectangle, and a grey 'Cancel' button.

## Step 6:

Once your account has been created, you will be directed to **Enter Login Information**. Enter the username and password you just created and click **Log In**.
