Flexible Benefit Service Corporation Adds Delta Dental of Illinois to Product Portfolio

ROSEMONT, Ill. (May 23, 2012) – Flexible Benefit Service Corporation (Flex) announced today the addition of Delta Dental to their small group product offering in Illinois. Delta Dental of Illinois (DDIL) is one of 39 independently operated member companies of the Delta Dental Plans Association. Delta Dental member companies cover one-third of all Americans who have dental insurance, making it by far the largest dental benefits carrier in the country. DDIL covers two million enrollees nationwide.

Through the Flex General Agency, appointed health insurance producers can now offer a DDIL benefit program to Illinois-based small groups with two to 49 enrollees. Groups will receive access to their extensive dentist networks -- Delta Dental PPOSM, Delta Dental Premier[®] and DeltaCare[®] (DHMO).

Enrollees in Delta Dental PPO Platinum, Gold and Silver plans have access to the Delta Dental Premier network as well and also receive added features, such as the Enhanced Benefit Program, which enhances coverage for individuals with specific health conditions that can be positively affected by additional oral health care, as well as coverage for posterior composites and implants. All Delta Dental PPO plan options can include DeltaCare dental HMO and the To GoSM feature, an annual maximum carryover feature.

“We continually look to expand our portfolio of ancillary and voluntary products to meet the changing needs of our producers,” said President of Flex, John DiVito, “We are pleased to offer access to such a prominent dental carrier in the Illinois marketplace.”

As a General Agency, Flex offers producers free access to various resources to help them succeed in the individual and group health, Medicare and ancillary/voluntary insurance markets, including:

- top insurance carrier
- dedicated sales and service teams
- online tools
- educational opportunities
- and more!

Flex also offers various consumer-driven, tax-advantaged products, services and resources to employers throughout the U.S., including Flexible Spending Accounts (FSAs), Health Reimbursement Arrangements (HRAs), Health Savings Accounts (HSAs), Transit/Parking Reimbursement Accounts (TRAs), Cafeteria Plans, COBRA and much more. Through its comprehensive understanding of the health insurance and benefits administration markets, Flex presents a cutting edge perspective on finding solutions for the rising cost of health care.
