

COBRA Administration

From Flexible Benefit Service Corporation (Flex)

Stay compliant and help employees continue coverage.

Since 2005, Flexible Benefit Service Corporation (Flex) has been eliminating the burden of COBRA administration nationwide for employers of all sizes.

As advocates for cost-effective health care solutions, we know how complex the legal requirements around these plans are and how costly it can be for an employer to maintain COBRA compliance. Our services simplify the day-to-day implementation so employers can spend their time more efficiently with less worry.

Flex Features:

- ✓ **Comprehensive plan coordination** from initial notices to real-time plan and participant data
- ✓ **Compliance expertise** keeps your plan in accordance with the latest government regulations
- ✓ **Live one-on-one customer care** with dedicated specialists
- ✓ **Online employer benefits portal**
 - Manage employees and dependents
 - Report qualifying events
 - Generate custom reports of COBRA activity
- ✓ **Flexible billing** (pay monthly or on a per qualifying event basis)

Educational Focus

All employer clients can earn free credits with **HRCI**® and **SHRM**® through our accredited **FlexUNIVERSITY**® series of webinars. Flex offers education on various topics, including Healthcare Reform, ACA Reporting Requirements, Health Plan Best Practices and more.
