Webinar provides clarity, guidance on ACA reporting and Cadillac Tax

ROSEMONT, Ill. (April 9, 2015) – [Flexible Benefit Service Corporation](#) (Flex) has remained cognizant of the impacts that the continuously evolving Affordable Care Act (ACA) has made on U.S. businesses over its initial five years. The accredited webinar will provide details on the Employer Mandate and the new ACA reporting requirements for 2016. David Lindgren, Senior Manager of Compliance and Public Affairs at Flex, will conduct the webinar, and also discuss the new guidance related to the Cadillac Tax and what changes may need to be implemented to a benefit plan to minimize or eliminate this impending tax. Lindgren is a subject matter expert on Healthcare Reform and a repeat speaker at the SHRM® Annual Conference & Exposition where he will be presenting [two sessions](#) on the ACA at the conference in Las Vegas this summer.

“A consequence of the Employer Mandate being phased in over 2015 and 2016 is added confusion for employers.” said Lindgren. “Flex has simplified the ACA guidance so that employers can safeguard their company from an organizational headache, or worse, a penalty down the road.”
