Harken Health

Individual Fact Sheet

Key Network Features

- Unlimited primary care free of cost at Harken Health facilities
- Preferred network: All Choice Plus facilities in the service area and selected specialists and sub-specialists
- General network: Remainder of the Choice Plus network both in the service area and nationwide, no referrals necessary, and higher out of pocket costs compared to the Preferred network
- Out of network coverage: 80% coinsurance with no out-of-pocket maximum

Harken Health Facility Features

- Members get a team of providers including care provider, health coach, behavioral health specialist, and membership assistant
 - This member care model is what sets them apart in the marketplace. They want to drive membership to utilize services at their local health centers.
- Appointment types:
 - Scheduled appointments
 - ~ Same day or next day available
 - Walk-ins
 - Phone or Video Chat
- Case and disease management services

How to Find Providers

1. Go to <https://www.harkenhealth.com/>
2. Click on the magnifying glass in the upper right hand corner
3. Click on Doctors and then enter the zip code
4. Or click on Facilities and enter zip code to see hospitals

How to Run Quotes

1. Go to <https://www.harkenhealth.com>
2. Click Get a Quote in the upper left hand corner
3. Enter demographic information and then select View Plans

For Producers Currently Appointed with UnitedHealthOne

- You can access the producer portal at <https://www.uhone.com/broker/main/default.aspx>
- Once appointment is added, you will see Harken plans show up when you create a new prospect/quote.
